

**EXPORT PERMIT TO ALLOW POSSESSION AND SUPPLY OF AN
UNREGISTERED VETERINARY CHEMICAL PRODUCT TO A PERSON OUTSIDE
OF AUSTRALIA**

PERMIT NUMBER -PER12526

This permit is issued to the Permit Holder in response to an application granted by the APVMA under section 112 of the Agvet Codes of the jurisdictions set out below. This permit allows a Supplier (as indicated) to possess the product for the purposes of supply and to supply the product to a person outside of Australia (i.e. export permit). This permit also allows any person to claim that the product can be supplied from Australia and used in the appropriate manner but not within Australia.

THIS PERMIT IS IN FORCE FROM: 8 DECEMBER 2010 to 7 DECEMBER 2011

Permit Holder and supplier:

**MEDIVET PTY LTD
69 The Mall
BANKSTOWN NSW 2200**

Product permitted to be in possession of and supplied for export:

THYMOSIN BETA 4 ACETATE
Containing: 10mg thymosin beta 4 acetate as the only active constituent.

Jurisdiction:

ALL States

CONDITIONS OF SUPPLY

Supply of product under this permit can only occur where:

- a) the product is only intended for use in places outside Australia
- b) any representation of the product does not infer use can occur in Australia; and
- c) whilst the product is in Australia, it is in a container that complies with section 18(1) of the AgVet Code Regulations.
