

## What is Medivet VetO<sub>2</sub> Cleanser?

Medivet VetO<sub>2</sub> Cleanser is an aqueous water and saline solution containing a minimum of 15% v/v (150,000 parts per million) of usable oxygen, compared with 6 – 10 ppm found in tap water. Medivet VetO<sub>2</sub> Cleanser contains de-ionised water, a small amount of sodium chloride in the form of Sea Salt. It is totally drug and chemical free and 100% non toxic

Oxygen is a vital and key element in the healing of skin damage such as burns, cuts, sores, lacerations, scratches & grazes, lacerations, in fact any kind of skin wound or injury. Thus Medivet VetO<sub>2</sub> Cleanser is an essential aid to recovery and healing in cases of surface wounds or injuries in animals

## How does Medivet VetO<sub>2</sub> Cleanser Work?

Medivet VetO<sub>2</sub> Cleanser provides the two most important elements needed for healthy skin; water and oxygen. The greatest enemy of skin healing is the presence of microbial and bacterial infections. Microbes and bacteria cannot stay alive in an environment which is high in oxygen. By applying Medivet VetO<sub>2</sub> Cleanser directly to the wound or affected area of skin, any microbial or bacterial infection is quickly eliminated after which the water and oxygen continue working to cleanse and heal the problem.

## What does Medivet VetO<sub>2</sub> Cleanser Achieve?

Medivet VetO<sub>2</sub> Cleanser promotes better and faster healing of all kinds of skin wounds and injuries, at the surface and subcutaneously, encouraging rapid formation of healthy scab and eradication of topical microbial and bacterial infections.

### Can All Animals Benefit?

All animals, including performance animals can benefit from the use of Medivet VetO<sub>2</sub> Cleanser.

### Benefits of VetO<sub>2</sub> Cleanser

Medivet VetO<sub>2</sub> Cleanser provides significant assistance for wound healing in three ways. Firstly, it sanitizes the wound or injury area, killing microbial and bacterial infection and making it sterile. Secondly, the water and oxygen provide life regenerating cell metabolism and help stimulate new cell formation. Thirdly, in wound and burn situations, it promotes the formation of healthy scab tissue as a protection while the healing process continues subcutaneously.

Medivet VetO<sub>2</sub> Cleanser is non-toxic, drug free and does not contain any banned substances; It is made naturally without the use of dangerous chemical compounds. It's the safe, easy way to give your animal rapid, clean healing from burns, cuts, sores, lacerations, scratches & grazes, lacerations, in fact any kind of skin wound or injury.
